

Cape Cod Cellos Payments and Policies

2021-2022

- This school year we will have 34 weeks available for lessons. I am only charging for 32 lessons to give a little wiggle room for a couple of cancellations by either you or me. If I do have to cancel a lesson, I will make every effort to reschedule it within the same week it was missed.
- Lessons will begin on Monday, September 13 and will end on Friday, June 10
- The option for emergency Zoom lessons will be given on a case-by-case basis, but I will not be offering Zoom as a regular weekly lesson unless local guidelines make in-person lessons impossible.
- There will be no lessons on any Monday holidays or school vacation days. Those days off are already factored into the fees.
- The cost per lesson is slightly higher this year, as I have given myself a raise for the first time in 14 years! There is no extra fee for making monthly payments.
- I prefer to be paid using Zelle or Venmo, but checks are also accepted.
 - Zelle: pay to my cell phone at 508-364-6786
 - Venmo: my username is @Karin-Loewen and my last four digits are 6786
- I am no longer renting out instruments, but I do have several smaller sizes of violins and cellos available for purchase if you are interested.
